

A crown of glory—is a beautiful head of hair. An Australian lady now in London writes under date Jan. 28, 1907:

"Ayer's Hair Vigor has done my hair a world of good. Thanks to it, my hair is now thick, glossy, and soft, and when plaited is 55 inches long. Ayer's Hair Vigor ought to be used by every woman who takes pride in her appearance."

You also may have such a crown of glory if you will follow the example of this lady and use

Ayer's Hair Vigor

It will remove all dandruff and make your hair rich and abundant.

BIDGOOD TO BOOST RACE

St. Clair Bidgood, manager of the Haleiwa Hotel, in the course of a conversation with a member of the Marathon race executive committee, promised to do everything in his power to make the race a big success. Besides giving a trophy for the winner he will accommodate the contestants and send them back to Honolulu on the train.

Negotiations are in progress to have a special train run to Haleiwa on the day of the race, a specially low fare being charged.

Every arrangement for the comfort of the contestants after the race will be made. Changes of clothes will be sent on the train, the cyclists sending theirs to Haleiwa by the regular Sunday special.

A cottage will be reserved at Haleiwa for the use of the contestants and baths and other conveniences will be provided.

A meeting of the committee will be called in the near future.

MIKE PATTON TO REFEREE

The Sullivan-Peterson go tomorrow night will be refereed by Mike Patton. The choice will undoubtedly be satisfactory to the public for Patton knows the game thoroughly and can be relied upon to give a fair and square verdict. The betting is now 10 to 6 in favor of Sullivan and it looks as if the odds against Peterson would lengthen still further unless a wad of Peterson money shows up pretty quickly.

Both the big men are well, so are Hercules, Nelson, McCullough and Scott.

Tickets are going like hot cakes and there promises to be a celebration of the good, old-fashioned sort at the Orpheum tomorrow night.

GREAT EEL AT THE MARKET

One of the largest uha or white eels that has ever been seen in Honolulu was on view at the fishmarket yesterday morning.

The eel was about eight feet in length and weighed thirty-five pounds. It was as thick as a man's leg in the middle.

The monster was speared on Wednesday night on the flats at Kalihi by a native fisherman and it put up a long and fierce battle before it could be brought to shore.

A large number of people visited the fishmarket to look at the eel, word of its great size having spread around

like wild-fire and caused much excitement among the natives and Japanese.

A POPULAR REMEDY IN SOUTH AFRICA

Chamberlain's Cough Remedy has been in South Africa for a number of years, and the fact that it still retains its popularity as a cure of coughs, colds and croup is certain proof that it gives satisfaction. Horum Bros., general merchants at Tarkastad, Cape Colony, make the following statement: "Chamberlain's preparations have a steady demand all the year round and continue to be popular. We always keep a stock of these medicines on hand." For sale by all dealers, Benson, Smith & Co., agents for Hawaii.

Judge Selden B. Kingsbury will take the oath as judge of the Second Circuit before the Supreme court tomorrow morning.

TODAY TRIPLE ANNIVERSARY

Today, the anniversary of the birth of the great war President of the United States, is also an anniversary of no small moment in Hawaiian history. Thirty-five years ago today Kalakaua was elected King of the Hawaiian Islands, and twenty-six years ago today the formal coronation took place. Tomorrow will be the thirty-fifth anniversary of the beginning of Kalakaua's reign.

Of the election of King Kalakaua, Alexander's Brief History says: "As the late King had failed to nominate a successor, the Legislature (which had been elected February 1st) was summoned to meet on the 12th, only nine days after his death.

"During the short interval, many mass meetings were held, and numerous circulars printed in behalf of the two rival candidates, viz: the Queen Dowager Emma and Colonel David Kalakaua. The Legislature having convened in the old court house (now occupied by Hackfeld & Co.), elected Kalakaua by thirty-nine votes, only six votes being cast for Queen Emma."

AS IT MUST BE.
Hostess—"And so you really believe the moon is inhabited, professor?"
Professor—"Not necessarily, madam. But there is a moon in which there must be a man and a woman."
Hostess—"I beg pardon?"
Professor—"I refer to the honey-moon."
